

High School
Improvement Plan

2018-2019

Gregg Ammons, Principal

Goals

Goal 1:All students scores will reflect growth in E.O.C, assessment. This will be measured by teacher pre and post testing and other outlined strategies. Sustained success should be measured by an increase in EOC scores with an emphasis of meeting grade level expectations.

Goal 2: Olton High School students will pursue becoming productive members of society by planning to expand their learning potential in a post secondary school opportunity (university, junior college, trade school, workforce, etc.) and will demonstrate their success in high school by using college or career readiness instruments (ASVAB, TSI, ACT, SAT, etc.) to manage, guide or help plan their future as well as participating in learning and training opportunities.

Goal 3: Students will be informed of and encouraged to enroll in CTE classes. Each year during registration meeting, students will be informed of all CTE classes and certifications that are offered earning that CTE credit.

Goal 4: In addition to the above academic goals, OHS students will will be trained to exhibit strong moral and character traits that will give them the best chance of succeeding outside of high school as measured by attendance rates, disciplinary referrals, tardies, and positive referrals.

Target Populations and Special Programs

Economically Disadvantaged
